

Catchy Studios Copyright Notice

Last Updated: June 2026

At Catchy Studios, creativity is our craft and intellectual property is one of our most valuable assets.

This Copyright Notice outlines the ownership and permitted use of the content published on catchystudios.com.au and associated Catchy Studios digital channels.

Ownership of Content

Unless otherwise stated, all content published by Catchy Studios is protected by Australian and international copyright laws.

This includes, but is not limited to:

- Video production and editing
- Drone footage and aerial imagery
- Photography
- Social media content and creative campaigns
- Website copy and written content
- Graphics, branding and visual assets
- Marketing materials and presentations
- Case studies and project showcases
- Website design elements and layouts
- Original concepts, strategies and creative frameworks

Permitted Use

You may view, download and print content from this website for personal and non-commercial purposes only.

You may not reproduce, distribute, modify, republish, sell, licence or commercially exploit any content without prior written permission from Catchy Studios.

Portfolio and Client Work

Catchy Studios may display selected client projects, photographs, videos, campaign materials, branding assets and project outcomes within its portfolio, website and marketing materials.

Where client names, logos, trademarks or brand assets appear, they remain the property of their respective owners and are used solely to identify projects completed by Catchy

Studios.

Display of client work does not transfer ownership of the underlying intellectual property.

Photography, Video and Drone Footage

All photography, videography and drone footage created by Catchy Studios remains protected by copyright unless ownership has been expressly assigned in writing.

Unauthorised copying, downloading, redistribution, editing, screen recording or commercial use of our visual content is prohibited.

Artificial Intelligence and Data Use

Content published by Catchy Studios may not be used for the training, development or improvement of artificial intelligence, machine learning models, datasets or automated content generation systems without prior written consent.

This includes scraping, downloading, reproducing or extracting content for AI-related purposes.

Trademark Acknowledgement

Catchy Studios, associated branding elements, logos, taglines and visual identifiers are proprietary assets of Catchy Studios.

Third-party trademarks, logos and brand names displayed on this website remain the property of their respective owners.

Copyright Infringement

If you believe any content on this website infringes your copyright, please contact us with sufficient information to investigate the matter.

We will review all legitimate requests promptly and take appropriate action where necessary.
